

#brightertomorrowmap

an effective new tool you can use to help lead someone from sleeping on the streets to a brighter future

the brighter tomorrow map is a project created by volunteers at the Focallocal Positive Action Community

every time you see (or can provide) a free resource that is useful to a rough sleeper, for example, the location of

- showers
- haircuts
- pay it forward coffee

please give 30secs and post it at:

brightertomorrowmap.com
